

LDGHA
2022-2023 Season
Covid Update

As you are aware COVID-19 is still active in our community and restrictions could be imposed at any time. Please review the following based on direction from the OWHA.

Screening

Prior to attending any hockey event, please ensure you have passed the Ontario COVID-19 screening /assessment.

[Coronavirus \(COVID-19\) self-assessment \(ontario.ca\)](https://www.ontario.ca/covid-19-self-assessment)

Masking in the facilities is still encouraged (until on the ice), especially in the dressing rooms.

Vaccinations

The OWHA strongly recommends that everyone eligible to be vaccinated is fully vaccinated prior to participation in OWHA sanctioned activities. Any participant who is not fully vaccinated and chooses to register must understand that, if mandatory vaccinations return, they will be no longer eligible to participate. Vaccinations are not mandatory for tryouts for the 2022/23 season, at this time.

If the OWHA, PHU or other regulations make it a requirement for participation to be fully vaccinated for COVID-19 at any time in the 2022/23 season, the player and participants, will

need to provide proof of COVID-19 vaccination. If proof is not provided, the player / participant will be ineligible to continue to participate in OWHA sanctioned activities and no refunds will be issued.
